

Greenhouse Scavenger Hunt

Can you find:

The things plants need to grow--- air, light, soil, and water?

A plant with small flowers?

A plant with big flowers?

A plant with no flowers?

A flower that smells good to you?

A flower that is your favorite color?

A plant with big leaves?

A plant whose leaves have an interesting color or shape?

A plant with pokey spines?

A tree?

An arrangement built out of different kinds of plants together?

What did you find that was interesting to you?
